Medical Gas Room Plan

Responsibility is not accepted for errors made by others in scaling from this drawing. All construction information should be taken from figured dimensions only.

General Supplementary Notes:

- Refer to the M&E consultant's design for further gas store setting out and services design.
- Refer to the Structural Engineer's design for structural details and below-ground foundation setting out
- Information to be read in conjunction with relevant consultant designs and specifications for further details
- Refer to Landscape and Civil Engineers design for the location of the external MEP compounds
